

About Us

Mitchell General Contractors, Inc.

Established in 2006, Mitchell General Contractors, Inc., located in Irvine, CA is a premier General Contractor specializing in commercial construction. Servicing Southern California, Arizona and Texas, Mitchell General Contractors, Inc. handles commercial projects from retail, restaurant and tenant improvements to ground up construction, employing an experienced and dedicated staff.

Mitchell General Contractors, Inc. is committed to providing a wide range of construction services such as pre-construction services, assisting with lease negotiations, preliminary budgeting, site surveys, estimating, value engineering, permit expediting, scheduling, short-term warehousing and project management.

Mitchell General Contractors, Inc. specializes in high quality, commercial tenant improvement with concentration in retail and restaurant construction. The company handles all phases of the project from contract through completion.

OUR MISSION

Mitchell General Contractors, Inc. (California) and MTI Construction (Arizona) are a high quality commercial general contractor specializing in retail and restaurant tenant improvement construction.

From conception to completion, we will provide our clients with experience, integrity and exceptional customer service from all levels.

A NEW STANDARD

"There is a real need for a company that insists on customer service and perfection. With over 30 years experience, Mitchell General Contractors, Inc.'s goal is to continue to set the standard in the commercial retail and restaurant improvements niche."
Matt Mitchell
